

Will Fido Put You in the Rental Doghouse?

# Carpet Stains. Chew Marks. Playful Bites That Go Too Far.

If your pet causes damage to a rental property or injures another person, you could be left chasing your (very expensive) tail.

**For only \$18 a year**, you can protect yourself from costly, pet-related financial losses with **Pet Damage Insurance**. This added endorsement to our Renters Insurance Select policy is a small investment that will help you stay out of the financial doghouse.

We love our pets, but they can cause significant liability and costly damage. We have solutions for both:

- ▶ **Pet Liability Coverage:** Included in your Renters Insurance Select or Resident Liability policy. Covers you from costly lawsuits and legal fees if your pet injures another person.\*
- ▶ **Pet Damage Insurance:** Now available as an optional endorsement to Renters Insurance Select. Provides coverage for damage caused by your pet to the apartment, including soiled carpet, ripped window screens or chewed door jams. For only an additional \$18/year on your premium, this will protect you from any costly damage.\*

**Add Pet Damage Insurance Today!**  
Small Investment. Big Protection.

**Select pet damage as an option when signing up for your Renters Insurance Select policy. If you already have a policy with us, call 866.654.9900 or visit [RentersInsuranceSelect.com](http://RentersInsuranceSelect.com)**
